

World Discount Telecommunications Supports Launch of ALLVOI Internet Phone Service with Ad Campaign on NeXplore Search

FRISCO, TX — June 24, 2008 — NeXplore Corporation (OTC: NXPC) today announced that World Discount Telecommunications (WDT), a global provider of discount local, long-distance and international landline and wireless calling services, has signed an advertising contract to support the launch of ALLVOI™ (www.ALLVOI.com), the company's new low-cost, feature-rich Voice Over Internet (VoIP) telephone service for domestic and international calls.

Under the terms of the agreement, NeXplore will serve targeted ALLVOI advertising impressions on NeXplore Search (www.NeXplore.com) and other NeXplore Web destinations. The ALLVOI advertising agreement builds on an established WDT advertising partnership with NeXplore initiated in September 2007.

ALLVOI's advertising campaign on NeXplore includes a blend of sponsored key word search results and impression ads on NeXplore Search, an innovative Web 2.0 search destination optimized for a superior end-user experience, rich-media display and social network integration. In addition, rich-media, interactive ALLVOI banner ads will run on NeXplore's growing portfolio of Internet properties.

Roman Talis, CEO of WDT and ALLVOI, said, "We are very excited about working with NeXplore to promote ALLVOI. Customers will get a free month of service with this promotion and will enjoy ALLVOI's high quality service and industry low prices. We've entered this market with the intention of serving customers who are adopting VoIP as a cost savings measure over traditional phone service. With gas and food prices going up, we think consumers will like saving two to three hundred dollars per year by choosing to make VoIP calls. This partnership with NeXplore is logical because people looking to save will search on NeXplore to find the best prices available."

"Offering marketers an innovative blend of cost-effective, high-yield digital advertising options is NeXplore's hallmark," said Scott Grizzle, chief marketing officer for NeXplore Corporation. "We work closely with our advertising customers to ensure their ad campaigns are optimally built and targeted to drive traffic and conversions. We are pleased to extend our relationship with WDT, and we are committed to driving awareness of ALLVOI."
